Helen: Hi Rosie, look, I got this in the sales.

Rosie Is that a book?

Helen: Ha, you are almost right. It's my make-up kit. 我的化妆盒。

Rosie But I've never seen you wearing make-up.

Helen: Well, I am going to change that. I want to look like the celebrities or the film stars.

Rosie So do you know anything about make-up?

Helen: No, that's why I need your help. I don't even know what some of these things are called.

Rosie Ok. I'll give you some make-up tips. This is my kit. Let's give you a makeover!

Helen: A makeover, 化妆打扮。I'd like that.

Rosie Get your foundation and apply a thin layer evenly.

Helen: Is this it? 像粉底一样, 是粉底吧。I think I'm done!

Rosie That's not bad, see your skin tone looks consistent now. Now let's work on your eyes.
First use a black eyeliner to draw around your eyes to make them look bigger.

Helen: Eyeliner, 是这个吗? 眼线笔。

Rosie Keep your hands and eyes steady. Then you can apply some eyeshadows. Try the moon struck and shimmering grey shades.

Helen: 眼影的名字怎么都这么 fancy. 不就是银色和碳灰色嘛。How do I look?

Rosie You look great. We are nearly done. You have to put on some mascara, it curls your eyelashes. I wouldn't go out of the house without it.

Helen: Really, I have one right here. 睫毛膏 mascara, it says extra volume, 让睫毛看起来更丰满。I'd like that.

Helen: How do I look?

Rosie You need a bit of colour on your checks as well. Apply some blusher.

Helen: Em, blusher 腮红, I think this one looks good. 是淡红颜色的腮红。I will try that. 这个粉红色的腮红 this pink blusher suits me.

Rosie Finally, apply some lip gloss, not too much though, just a touch.

Helen: Lip gloss 润唇膏, I'll try that. 我看这个润唇膏的效果不错, 闪闪发亮的。

Rosie Helen's makeover is now over. Helen. Let me see. Wow, you look fantastic!

A week later 晚上有party ...

Helen: I'm going on a date in an hour, but I've forgotten everything about make-up! Rosie, help!
