相比较上午四级作文出题的不按套路出牌，2014 年 6 月的六级作文还是中规中矩毫无悬念地选择了英语引语型作为出题形式。第一段简单阐述一下 Directions 中出现的句子含义，接下来具体论述即可。范文参考如下：

Do Not Judge Others by Appearance

It is unwise, as the remark has it, to judge a person by appearance. Just like what conveyed in the saying, we can learn the significance of inner strength far outweigh that of the appearance.

The reasons why we should not focus our attention on appearance involve factors in mounting numbers. They can be briefly summed up as follows. Initially, as time goes on, appearance changes, it cannot be kept forever. On the contrary, in contemporary society in order to cater to a wrong value, an increasing number of girls do cosmetic surgery, which is not necessary. Additionally, it is our ability that shows what we truly are, not our appearance. Inner quality speaks louder than appearance. Finally, sincere and long-term communication can let you understand others. If you just dislike someone for the sake of poor appearance, you will lose an opportunity to have a good friend.

Just like Alexander the Great said, "Remember upon the conduct of each depends the fate of all." It is a truth universally acknowledged that a merry heart goes all the way rather than good appearance. Not only should we not judge people superficially but also improve our comprehensive quality and inner virtues.
