

Dear parents,

I am writing this letter to express my sincere gratitude for making a memorable achievement for our family. Without your meticulous care, I cannot enjoy what I have today.

Thank you for giving me the chance to come to this colorful world. As parents, you have made tremendous efforts in your work so as to give me the best life. During my growth, you, serving like a beacon, give advice to me whenever I get into trouble. I'd like you to know that I am really lucky to have you in my life.

In the future years, I hope I can create a more desirable life for you to the best of my abilities, making it possible for you to enjoy your retirement.

Again, I'd like to show my appreciation for your great achievement for the whole family.

Yours,

Alice
