

2014 年 6 月英语四级作文解析及范文(新东方版)

四级的小伙伴们, 2014 年 6 月的四级作文题三套题已火热出炉:

Suppose a foreign friend of yours is coming to visit your hometown/campus/China, what is the place you would like to show him and why?

这个题目乍一看非常类似于 2001 年 12 月的四级书信真题, 欢迎朋友来参观并且给出行程安排, 但是其实不然。据刚刚下战场的同学们回忆, 考的文体要求仍然是课上反复强调的“essay”, 即常规议论说明文体。虽然今年爆冷没有考察大纲样题中的图画类型, 但是这种常规的议论文还是大家比较好掌控的。

所以这个时候, 大家是否应该静下心来构思文章的三段落 outline:

- 1.What is the place? A brief description.
- 2.Why do I recommend this place? Reason 1 2 3
- 3.Summary/Personal opinion

重点仍应放在课上强调的重点段落-原因分析上, 话题可能瞬息万变, 不变的是文章写作的基本逻辑框架。

附范文一篇以供参考：

If a foreign friend of mine is coming to my hometown Xiamen, the very place I would like to recommend is, definitely, Gulangyu. It is an island located in the southwest to the Xiamen Island. It is nearly impossible to find a tourist coming to Xiamen without spending a day or two in Gulangyu to enjoy its beauty.

Why would I consider Gulangyu a place of interest which one should never miss? Actually, there are several reasons accounting for it. Firstly, you can enjoy the view of the sea, the golden beaches, and also the magnificent landscape covered by all kinds of plants. That is why the island is called "a garden on the sea". Also, various caf  s and restaurants providing local cuisines and snacks will amaze you for sure. What is more, you can learn about the history of the city and of arts after a trip to the historical sites and museums.

Personally, Gulangyu is my favorite place to go whenever I need to relax myself or have fun with friends. So I highly recommend this place to my dear foreign friend and I am sure he or she will fall in love with it at the first sight.

如果抽到校园和中国的童鞋们，也可以参考以上的逻辑框架。最后，厦门新东方国内考试部衷心祝愿所有考生能够取得理想的成绩！
