

2016 年四级写作解析（第二套）

南京新东方国内部教师 王雅洁

Directions: For this part, you are allowed 30 minutes to write a letter to express your thanks to one of your school teachers upon entering college. You should write at least 120 words but no more than 180 words.

本篇表达对老师的感谢，语气上要注意更加正式。因为是师生关系，第一段除了交代写信目的，还需要进行自我介绍，让老师知道你是谁。第二段展开具体内容，即老师在你考大学的过程中给予了哪些帮助；第三段重申目的，表达感谢之余，可以加上自己的决心或对未来的规划。

信件写作注意格式，要有称谓，正文，敬语和署名。

Dear Miss Wang,

How are you? My name is Li Ming, one of your former students. I am writing to tell you the good news that I have been admitted to the college I have dreamed of. And I shall extend my heartfelt appreciation to you for the guidance and help you have rendered me.

First, you have provided me useful information of the college that I applied for. Second, it is you who strengthened my confidence and kept encouraging me to pursue my dream when I almost gave up. Furthermore, you have devoted your valuable time to solving my problems in my English course.

The college life opens a new chapter of my life, and I will do my best to make it meaningful. Please accept my gratitude, now and always.

Best regards,
Li Ming
